# Informal Trainings on Open Science, the genesis

# Informal trainings on Open Science, the birth

1

Two documents on GD  
One containing the email  
addresses of librarians

One with a table with  
the information about:

Topics

Who wants to listen

Who wants to speak

When will the training session  
be held

**What? Where? Who? When?**

2

Training sessions are  
recorded

Videos and presentations  
are available on GD

**Videos**

3

79 members

12 months

19 training sessions

22 speakers

**Ucimo zajedno! Let's learn  
together!**

4

RDM

DMP

FAIR principles

Self-archiving policies

Preprints

EOSC services

Reference managers

Thematic repositories

**Topics on OS**

# Overall context

Librarians have gained OS skills

Raised awareness of librarians' roles

Increased employment opportunities

**Reality - positive**

No support from responsible institutions

Unpaid work

Librarians are expected to perform  
meaningless tasks

No audience for complex topics  
(researchers)

**Reality - negative**

Support from researchers

Support from responsible institutions

**Desirable**

THANK YOU

Irena Nježić
